

Jalie Eleanore Pull-On Jeans, Sewing Order for Time-Saving Twin Needle Top-Stitch

Organized and written by Yvette Chilcott www.sewwhatyvette.com

Serge or Sew

- Serge around all edges of back pockets.
- Serge the yokes to the top of each back piece with right sides together.
- Serge the pocket lining to the pant fronts with right sides together.
- Sew the center front seam and edge-finish it and around the fly extension.

Press

- Press under the top hem of those pockets
- Press the other edges of the pockets to the inside
- Press the back yoke seam toward the waist
- Press the fly extension to the right
- Press the front pocket lining to the inside.

Insert Twin Needle and Thread, stitch length 4mm

- Top stitch the front pocket edges
- Top stitch the center front seam from waist to crotch
- Top stitch around the curve of the mock fly
- Hem across the back pocket tops
- Stitch a decorative motif on each back pocket
- Attach each back pocket
- Top stitch the back yoke seams

Serge (or sew)

- Serge the front pocket facing to the linings
- Serge the center back crotch seam

Twin Needle Top Stitch, stitch length 4mm

- back crotch seam to the opposite direction of the front crotch seam

Serge (or sew)

- Serge the inseam, matching the front and back crotch seams
- Serge front pocket tops and sides through all layers to keep them in position. (Instead of basting)

Twin Needle Top Stitch

- the inseam, then press

Serge (or sew)

- the outer seams

Remove the Twin Needle

- Top-stitch the side seams with a single needle, same thread, 4mm stitch length, from waist to hip.

The remaining steps were done as per the instructions, adding the elastic to the inside of the waist pieces (I stretch my elastic as I add it), joining the waist side seams, and joining it to the jeans. Stitch up the hem and you're finished.
